

The diagram illustrates the layout for an A6 card. It features three concentric rectangular borders. The outermost border is a light blue line, representing the bleed area. Inside this is a black line representing the finished size of the card. The innermost border is a magenta line, representing the text limit or quiet border. The card is oriented vertically. The overall dimensions are 148.5mm by 105mm. A legend at the bottom explains the line types: black for finished size, blue for bleed area, and magenta for text limit. A note specifies that text and photos should not run to the bleed area.

A6

— Finished Size

— Bleed Area

— Text Limit/Quiet Border (text and photos not running to bleed should be within this area)

Overall Dimension: 148.5mm x 105mm
